

I would like to express my hopes that K-Love will be allowed to translate as it has. K-Love has ministered to my family since finding it on the radio dial. K-Love has a very positive influence on the area of coverage it has in the Bismarck area. It is also very well supported in this area. Allowing an LPFM to displace K-Love would effect the listening waves in our area. Please leave the broadcasting systems as they are. K-Love has very positive, family friendly programming that is effective for all ages. And isn't that where the air waves should aim
